Section 3 – The Insured Transit

3. The insured transit is as specified in the schedule, and
 - 3.1 **commences** in respect of each item of goods when that item is first moved for the specific purpose of loading on to the conveying vehicle for transit to a destination outside the premises,
 - 3.2 **terminates**
 - 3.2.1 when that item is delivered to the intended destination either in the receiver’s premises or such other place as you or the receiver may instruct, or
 - 3.2.2 on the expiry of seventy two hours after that item is unloaded from the final conveying vehicle,
- whichever occurs first.

- 3.3 excludes any period of dismantling, erection, commissioning, testing, or storage other than in the ordinary course of transit, and

- 3.5 includes any insured goods which have been “**overcarried**”, until return to port of destination.

Section 4 – The Insured Goods

We insure the goods or merchandise specified in the schedule, including all **retail and sales packaging**.

Section 5 – The Insured Events

- 5.1 Subject to the terms and exclusions of this policy, this insurance covers **physical loss of or damage to the goods** during the insured transit, directly caused by:

Section 6 – Exclusions

- 6.1 **The Institute Radioactive Contamination, Chemical, Biological, Bio-Chemical and Electromagnetic Weapons Exclusion Clause (Clause 6.2) and the Transit and Terrorism Clause (Clause 6.3) shall be paramount and shall override anything contained in this insurance inconsistent therewith. In the event of conflict between these two Clauses, the Institute Radioactive Contamination, Chemical, Biological, Bio-Chemical and Electromagnetic Weapons Exclusion Clause (Clause 6.2) shall prevail.**
- 6.2 **Institute Radioactive Contamination, Chemical, Biological, Bio-Chemical and Electromagnetic Weapons Exclusion Clause 10/11/03**
In no case shall this insurance cover loss damage liability or expense directly or indirectly caused by or contributed to by or arising from
 - 6.2.1 ionising radiations from or contamination by radioactivity from any nuclear fuel or from any nuclear waste or from the combustion of nuclear fuel
 - 6.2.2 the radioactive, toxic, explosive or other hazardous or contaminating properties of any nuclear installation, reactor or other nuclear assembly or nuclear component thereof

- 6.2.4 the radioactive, toxic, explosive or other hazardous or contaminating properties of any radioactive matter.

- 6.2.5 any chemical, biological, bio-chemical, or electromagnetic weapon.

6.3 Transit and Terrorism Clause

Notwithstanding any provision to the contrary contained in this policy or the clauses referred to therein, it is agreed that in so far as this policy covers loss of or damage to the insured goods caused by terrorism, such cover is conditional upon the insured goods being in the ordinary course of transit and, in any event **shall terminate either:**

- 6.3.1 as per Clause 3.2, or
- 6.3.2 on delivery to any other warehouse or place of storage, whether prior to or at the destination named herein, which you elect to use either for storage other than in the ordinary course of transit or for allocation or distribution,

whichever shall first occur.

For the purposes of this insurance, "terrorism" means any act(s) of any person(s) or organisations(s) involving:

- ▼ the causing, occasioning or threatening of harm of whatever nature and by whatever means,
- ▼ putting the public or any section of the public in fear,

in circumstances in which it is reasonable to conclude that the purpose(s) of the person(s) or organisation(s) concerned are wholly or partly of a political, religious, ideological or similar nature.

"Terrorism" shall also include steps taken to prevent, suppress, control or reduce the consequences of any actual, attempted, anticipated, threatened, suspected or perceived terrorism.

In addition, this insurance does not cover:

- 6.4 loss or damage that **existed or occurred prior to the commencement of the insured transit.**
- 6.5 loss or damage directly or indirectly as a result of **mechanical, electrical or electronic breakdown or malfunction** where there is no external evidence of damage in transit from an insured event.
- 6.6 loss or damage as a result of an act of war, whether or not war has been declared, whilst your property is not on board a ship, vessel or aircraft.
- 6.7 **loss of market, or consequential loss of any description**, even if caused by any insured events.

Section 7 – How Much We Will Pay

- 7.1 Claims under this policy **are not subject to the application of average or underinsurance.**
- 7.2 If, at the time of any loss of or damage to the insured goods, there is **any other current insurance**, whether effected by you or by any other person or persons, covering the same goods, we will not be liable (where legally entitled) for more than the rateable proportion (having regard to the other insurances, whether Marine or Fire, and whether or not such other insurances are exempted from contributing either by the existence of this policy or any other policy) of such loss, damage, liability or expense.
- 7.3 Subject to the terms, exclusions and the limit of liability of this policy, at our option we will pay you, repairers or other parties agreed with you:
 - 7.3.1 **for goods other than plant, machinery, computers and the like**, the lesser of:

- 7.3.1.1 the cost of repairing or reinstating the goods to a condition equal to but no better or more extensive than its condition immediately prior to the loss or damage (including the reasonable cost of any necessary overtime), or
- 7.3.1.2 the invoice value covering the goods whilst in transit (including freight if separately invoiced to the receiver of the goods), or
- 7.3.1.3 if there is no invoice value, the cost of replacing the goods with similar goods of the same age and condition or as near as possible to that age and condition.

 - 7.3.2.2 in the case of a purchase or sale, the purchase or sale price plus the cost of packing and transport, or
 - 7.3.2.3 in the case of movement of the goods other than for the reason of purchase or sale, we will pay the new replacement cost or, if not available, as near as possible to the same make, model and specifications as is available.
- 7.3.3 **for plant, machinery, computers and the like (more than five years old)**, the lesser of:
 - 7.3.3.1 the cost of repairing or reinstating the goods to a condition equal to but no better or more extensive than its condition immediately prior to the loss or damage (including the reasonable cost of any necessary overtime), or

 - 7.3.3.3 in the case of movement of the goods other than for the reason of purchase or sale, the greater of the written down book value in your books of account or the current market value.
- 7.4 If we agree to pay a claim under Section 7.3, we will also pay you the following **additional benefits** (if you are required to pay these costs):
 - 7.4.1 the cost of **air freighting replacement parts** from suppliers to the original destination, even if the original transit was not by air freight, up to the greater of \$10,000 or 10% of the insured value of the damaged goods (calculated according to Section 7.3 above),
 - 7.4.2 the reasonable costs and expenses incurred in **cleaning up or decontaminating your premises** following the delivery or return of salvaged goods, plus the cost of transport and disposal costs to remove those goods, up to a limit of \$50,000 any one accident or series of accidents arising from any one insured event,

 - 7.4.4 any **additional freight or salvage charges** that you are required to pay to remove your goods from any accident site, including the cost of transport to forward the goods to their intended destination or to return the goods to the place from which they were despatched, and
 - 7.4.5 the reasonable costs paid by you to **avoid or minimise any further loss or damage** to the goods.
- 7.5 Where a loss is payable under this policy, we will apply the following **restrictions to payments**:
 - 7.5.1 for any damaged goods bearing **identifying brands or labels** or other permanent markings, the goods may be retained by you to dispose of as you see fit, provided a reasonable allowance is agreed for the value of the goods and this allowance is deducted from the claim settlement
 - 7.5.2 where **only the labels or packaging** are affected, we will pay you only the cost to recondition and/or replace those labels or packaging.

- 7.6 If the insured transit is interrupted or terminated due to the **insolvency or financial default of the carrier**, whether or not loss or damage has been occasioned to the goods, we will pay you the extra costs of freight and/or storage to forward the goods to their intended destination, or to return the goods to the place from which they were despatched, up to a maximum of 10% of the insured value of the goods (calculated according to Section 7.3).
- 7.7 All claims we pay under this policy will have any **excess deducted** prior to settlement.
- 7.8 **Notwithstanding the payment provisions contained in this policy, we will pay the claimant or payee:**
- 7.8.1 where the claimant or payee **cannot** claim an input tax credit in respect of the cost of repairs or replacement to make good the loss, the amount(s) payable as detailed in the policy, including the amount of any Goods and Services Tax (GST) due in respect of the payment, or
- 7.8.2 where the claimant or payee **can** claim an input tax credit in respect of the cost of repairs or replacement to make good the loss, the amount(s) payable as detailed in this policy, less any input tax credits available to the claimant or payee in respect of the payment.
- 7.8.3 The terms "GST" and "input tax credits" have the meaning given to them in A New Tax System (Goods and Services Tax) Act 1999.

Section 8 – Claims

- 8.1 When an event occurs which may give rise to a claim under this policy, there are certain procedures you must follow to tell us about your claim and to protect the goods and your potential recovery action against any third parties. You must:
- 8.1.1 immediately **take all reasonable measures** to avoid or minimise any further loss or damage to the goods. The reasonable cost in doing this will be reimbursed by us under Section 7.4.5. Any measures you or we take to save, protect or recover the insured goods shall not be considered as a waiver or acceptance of abandonment or otherwise prejudice the rights of either party.
- 8.1.2 **tell us** as soon as possible all of the details known to you including the time and location of the loss, and any circumstances that will assist us to investigate that loss. This information should be provided to us in writing, including all supporting documentation such as invoices, consignment notes or letters that you have received from your customer,
- 8.1.3 **not dispose** of any damaged goods without giving us the opportunity to examine those goods,
- 8.1.4 on receipt of suspect or obviously damaged goods, **note the extent and type of damage** on the consignment note or similar document,
- 8.1.5 **within three days, lodge a written claim on the carrier**. If you are unable to fully quantify the extent of damage, still write to the carrier within three days, advising them that further details will be forwarded once the claim is quantified.
- 8.2 We may wish to appoint a surveyor to report to us on aspects of the loss. **You should co-operate** with the surveyor as this will assist swift consideration of your claim.
- 8.3 When we settle the claim, we may endeavour to **pursue recovery rights** against the carrier or any other third party who caused the loss or damage to the goods. **You authorise us to act in your name** in such recovery action, and undertake to give us reasonable assistance in such actions.
- 8.4 Immediately open and inspect any goods showing outward signs of loss or damage at the time of arrival. Where the goods are not opened immediately upon arrival, any loss or damage covered by this insurance which was not apparent at that time shall only be recoverable under this insurance **provided that it is discovered within ninety days of arrival**.

Section 9 – Law & Practice

This policy is subject to Australian law, including the Insurance Contracts Act 1984. It is also subject to Australian jurisdiction.

Section 10 – Your Duty of Disclosure

You have a legal duty of disclosure to us whenever you apply for, change or renew an insurance policy.

What you must tell us

You have a general duty to disclose to us everything that you know, or could reasonably be expected to know, is relevant to our decision whether to insure you, and, if we do, on what terms.

However, your duty does not require you to disclose anything:

- ▼ that reduces the risk to be undertaken by us,
- ▼ that is generally well known,
- ▼ that we know or, in the ordinary course of our business, ought to know, or
- ▼ in respect of which we have waived your duty.

Your general duty applies to renewals and changes

Your general duty applies in full when you renew an insurance policy or change an existing policy (including when you extend or reinstate it).

Your general duty is limited for new policies

When you apply for a new policy your duty of disclosure applies, but you do not need to disclose something to us unless we specifically ask you about it. However, you must be honest in answering any questions we ask you. You have a legal duty to tell us anything you know, and which a reasonable person in your circumstances would include in answering the questions. We will use the answers in deciding whether to insure you and anyone else to be insured under the policy, and on what terms.

Who needs to tell us

It is important that you understand you are disclosing to us and answering our questions for yourself and anyone else you want to be covered by the policy.

If you do not tell us

If you do not answer our questions honestly or do not properly disclose to us, we may reduce or refuse to pay a claim or may cancel the policy. If you act fraudulently in answering our questions or not disclosing to us, we may refuse to pay a claim or treat the policy as never having existed.
