Vero National Marine is pleased to announce that with immediate effect, our Brisbane office will now service all business on behalf of Brokers located in the Northern Territory. This change applies to all new business as well as maintenance of existing business, including renewals. Existing business is currently being transferred from our Adelaide office to ensure a smooth continuance of service to your broking operation.

Our staff will be in contact to explain the change and answer any questions brokers may have.

To find out more about Vero National Marine's range of specialist products tailored to the trade and transportation sector, contact one of the team in Brisbane:
